THE BADGER

1967

FOREWORD

Can anyone retain
the excitement of happening?
Who can touch
all the rain?

Can you store
all the sounds
of the seasons?
Can you hear the pain?

This is a yearbook,
a record in sound;
at best a token of involvement;

The complexities of an instant
are far beyond
the sound and understanding
of a day.

Many of us have known the Morgans all our lives, while others have only recently made their acquaintance. One emotion shared by all is a reluctance to know that their direct influence on our school must end this year. Memories of Mr. R. S. Morgan

and his wife, Willie Lee, will linger as a lasting influence in the lives of young people. We wish them well in their new endeavor, and as a token of our deep regard for them, we dedicate the 1966-1967 Badger.

Superintendent of Bishop Public
Schools for fifteen years.

Dawn Speigelhauer and Sharon Doedyns

Blue Bonnet Girls State

Dawn Speigelhauer and Sharon Doedyns represented Bishop High School this past summer in Austin, at Blue Bonnet Girls State. Sharon was sponsored by The American Legion Auxiliary, and Dawn was sponsored by the Lions Club. During their ten day stay, both girls learned more about their government and to better appreciate their country and its heritage.

American Legion Boys State

Representing Bishop High School at the American Legion Boys State were George Hohon, Tom Estes, and Dave Lockwood. The boys' sponsors were the American Legion, Lions Club, and Chamber of Commerce. During their seven day stay, the boys worked toward accomplishing this year's purpose--to "Learn By Doing" the functions of our State Government.

Maurice Campbell, President of the School Board.

The Bishop Board of Education is composed of seven prominent citizens of the community who make it their business to know the problems of the school and suggest solutions to those problems, in order that their children and the many other students of the Bishop District may have the best education available.

Superintendent Morgan and Family

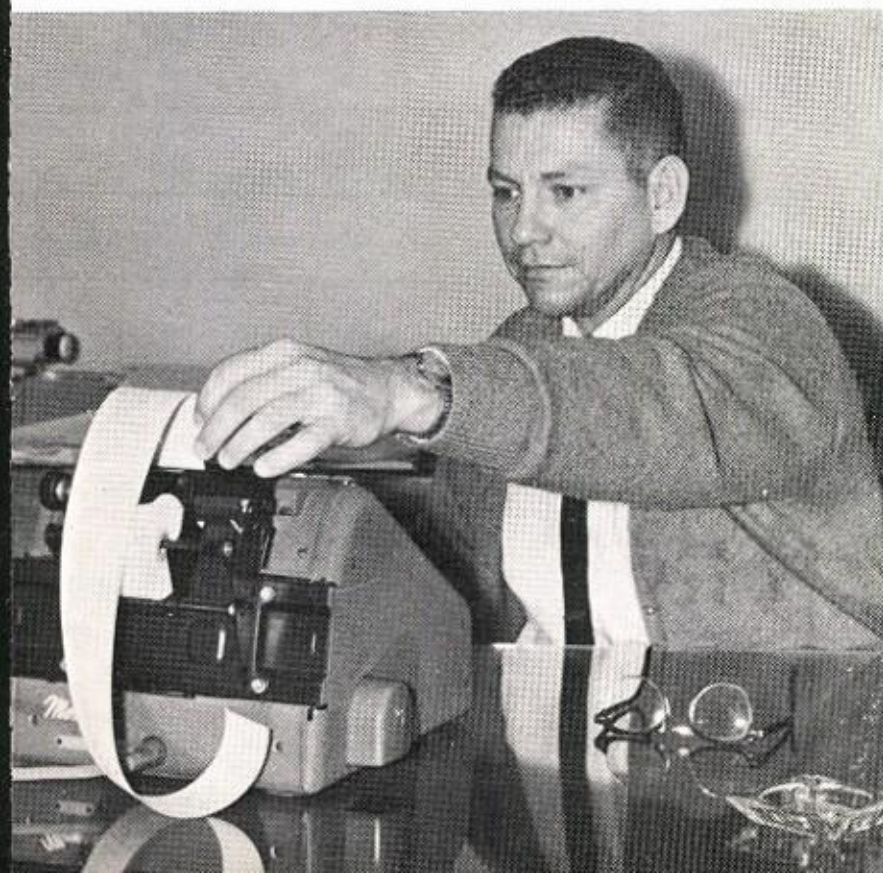

Mr. & Mrs. Morgan take time from their busy school schedule to enjoy their son Bill, his wife Marge, and the children Billy and Kathy.

Office Staff and Business Manager

Mrs. Lindsey, Mr. Morgan's secretary, and Mrs. Jones, the school's bookkeeper, help Mr. Morgan keep the school running on an even keel.

Mr. R. H. Nelson, Business Manager, takes care of the financial aspect of the school administration, and sees to it that the school gets the best supplies for its money.

Mr. W. Z. Miller, Jr., Principal

High School Administration and Staff

Mr. James Gillis, Assistant Principal

Working behind the scenes and receiving little thanks, the administration continually keeps the school running in top-notch fashion. Due to Mr. Morgan's retirement, Mr. Miller will assume the responsibilities of superintendent, and Mr. Gillis will become B. H. S.'s Principal.

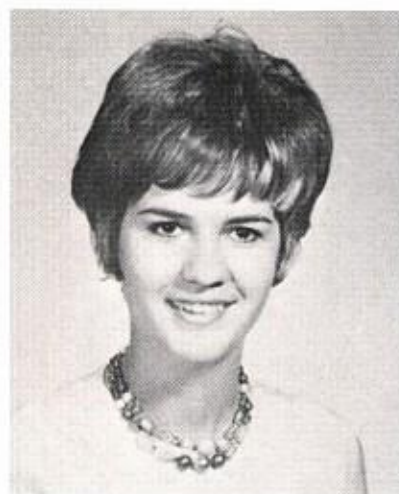

Joking with the students and lending a sympathetic ear, Mrs. Dorothy Arnold and Mrs. Mildred Gerdes keep the students going strong, and the secretarial work done in fine fashion.

Senior Class Officers

(L. to R.): Tom Estes, President; Dave Lockwood, Vice President; Sharon Doedyns, Secretary; Bill Pate, Treasurer; and Keene Melde, Reporter.

The senior year is the year that every high school student looks forward to, but it is not the easiest year. Most seniors hum with activity--term papers to write, parties, the senior trip, extracurricular activities in clubs and sports, Interscholastic competition, preparation for college, and finals. But no matter how happy a senior may feel in wearing his ring, ordering and sending graduation invitations, and most of all receiving his diploma, he knows that the era of fun, activity, frustration, anxiety, and rejoicing that exemplify high school life is about to end. With deepest sincerity every senior wishes all the underclassmen a thrilling and exciting Senior Year!

The Bishop High School Badger Band, under the direction of Mr. Myers Hudson, has been an outstanding organization this year. The band again won the Sweepstakes trophy. This makes the fourth year in a row that the Badger Band has won this high honor. In order to win Sweepstakes, a band must receive Division I ratings in marching, concert, and sight-reading contests.

Under the leadership of these three Co-Captains and the other fighting seniors, the Badgers had an eventful year. Although the Badgers were not District champions, they were successful in the outstanding comeback of defeat. The Badgers consisting of fourteen seniors, nine juniors and three sophomores ended the year with four wins and six losses. Yet the people of Bishop High School consider it a nine win - one loss record. We will remember the "Fighting Badgers" of the year '66 in Ole B. H. S.

"BORN FREE"

Born free, as free as the wind blows,
as free as the grass grows,
born free to follow your heart.

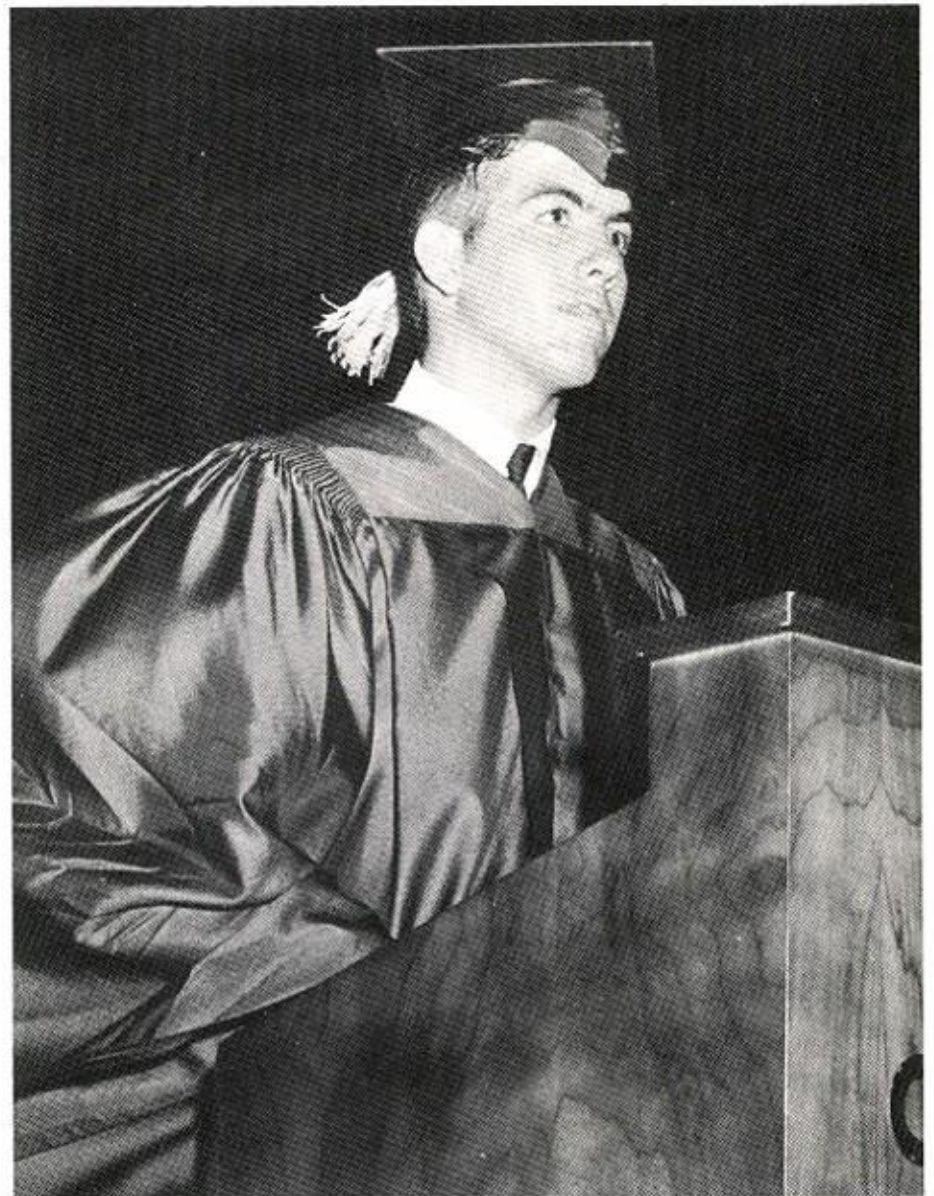

Live free, and beauty surrounds you,
the world still astounds you,
each time you look at a star.

Stay free, where no walls divide you,
you're free as a roaring tide,
so there's no need to hide.

Born free, and life is worth living,
but only worth living 'cause you're
born free.

Teachers' Aides

Shirley Buis

The teachers' aides of the Bishop schools have proved to be an important help to the teachers in our school system. Their assistance in running off tests, grading papers, and doing odd jobs save teachers hours of work that they can spend with their students.

Dear Mrs. Garrett,

Looking back over our year of working on the Badger, we remember the assistance and guidance that was given us. Many helped in many ways, but the person who deserves the most credit is you.

Providing us with advice and encouragement and leading us through thick and thin from deadline to deadline, you were the wheel behind our accomplishments. We cannot possibly thank you for all you have done for us, but perhaps our most sincere appreciation and sharing the satisfaction of finishing the 1967 Badger will be some reward.

Again, we thank you, our friend and advisor.

The Badger staff would like to take this opportunity to give a special thank you to all those who helped in making this production possible. Many long hours of hard work have gone into this yearbook, and without the help of many of the faculty and students it would not have been possible.

A big thanks goes out to Mr. Charles Schooley and Mr. Early Rogers for their untiring efforts in the photography department. We would also like to extend a special thanks to Mr. Norman Broom who helped us in editing our record.

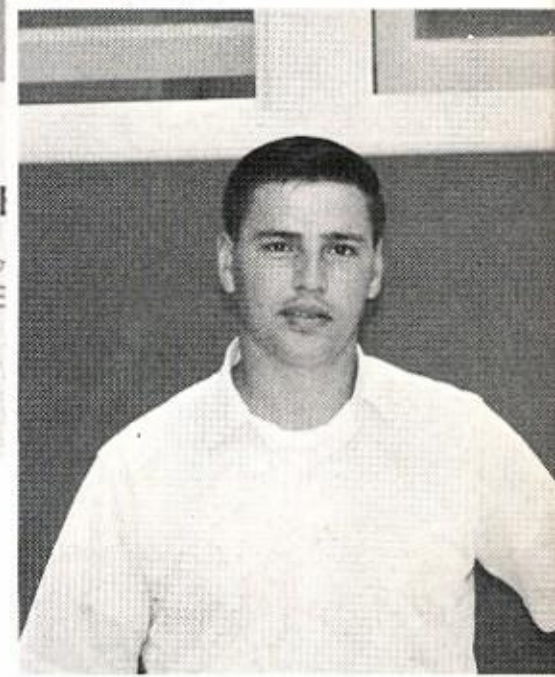

We would like to extend our deepest appreciation and thanks to the Bishop and Kingsville merchants, who supplied a large amount of the capital for the production of The Badger. We invite you to shop with our advertisers.

Mrs. Bobbye Rawlinson, social studies teacher.

Mr. Richard Hollaway is our new health and physical education teacher. He replaced Mr. John Elam.

Mrs. Quenne Morgan, assistant librarian, assists a student, Gaye Coughran.

Home Economics classes learn the fine art of cooking and serving.

The industrial arts classes have given the annual staff a big boost this year in photography.

Art and handicraft classes (pictured left) have furnished B. H. S. with many interesting projects. Mrs. Jurica and Mr. McMillan are the instructors.

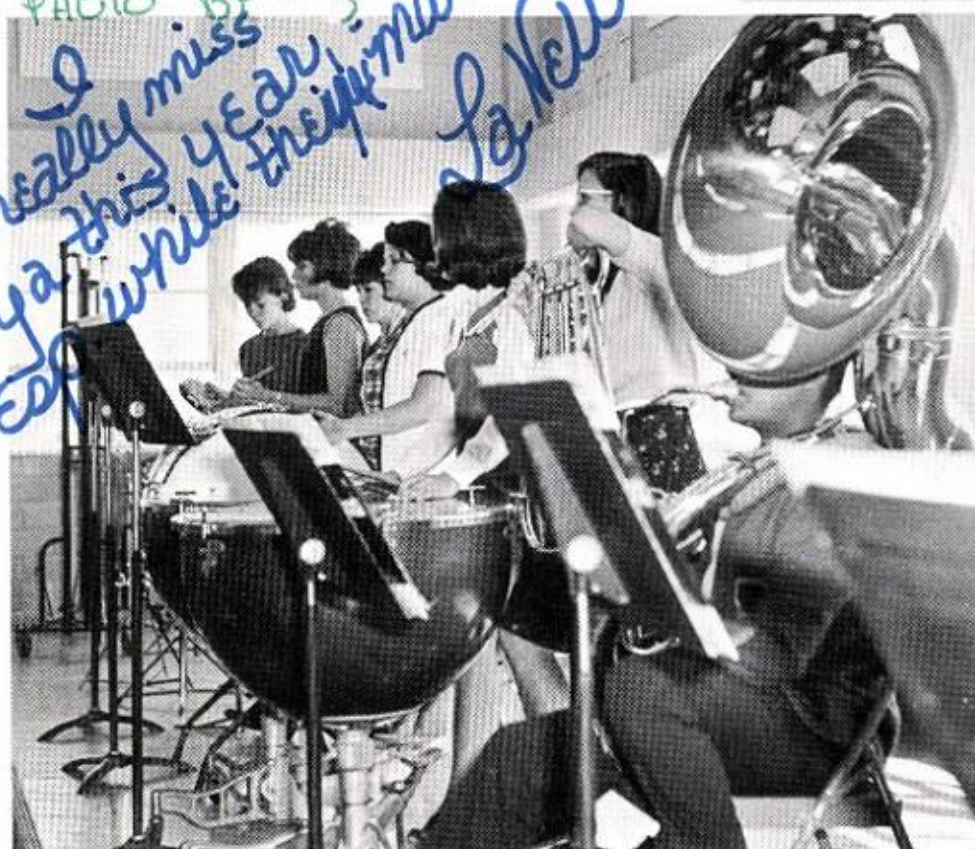

Mrs. Graham's sophomore English class studies industriously.

Steve ~ (greatest musketer)

Well it looks like we lost you as a member of 'good ole' B.H.S. I'm really gonna miss ya! You're about the greatest guy I know, and think alot of. We had a lot of fun in Choir, senior parties, and these great summer days, and I hope we have much more. Remember, I think you'll be a famous man someday if ya have alot of confidence in yourself. You sure helped me alot in alot of ways with those little talks we had. May the best of everything always come your way, because you deserve it. You're a wonderful guy and my life would be a little less complete if I hadn't known ya. Always, J.R.S. You're a real special guy!
To a wonderful Love Always, Cyndie
GIRLFRIEND 67-68

#1,

To the biggest Musky and the number one musky. You are a great friend and we have had many good times together. I wish you were with us the night we got caught in Kingsville. Maybe it will happen again but lets hope not. Just rise tall and have fun.

Steve,
Well, we're really gonna miss you and the rest of the musketers. I think you are about the greatest guy in the world. You are very understanding and I could write a book on all your good qualities. But I can't write enough in room 2000. I'll just leave it at Swales. Stay as sweet and understanding and you'll always be surrounded by friends. Mark the good part you are very best in life. Love ya, Cath.

O Steve #1 from #2,

Well after knowing you since the third grade, I must admit the relationship has left me with many great memories of several? drinks, parties, etc. Glad to see you made it in everything your senior year. (Always remember we were the founder of the Musketeers!) Lots of luck at A+ & I. It will be weird with only Two Muskies at ~~II~~ ^{III}. Well here's wishing you good luck in the future and no warmth in the hereafter.

We finally made it in BHS. It was a great year and we have had many great times together. (esp. since the musketier establishment). Thanks for the beach trip and all your friendship. Please forgive me for making you mad at times but that's the way it goes. Good luck at A+J. Please stay sweet and study hard. I will see you soon. Be good. Don't get down in the dumps too often. May God Bless you Always! Love ya!

I'll never forget all the great times we've had in ole B.H.S. especially this year with you and the rest of the Muskies. Ya'll made our Sr. year something to always remember. You're really a wonderful guy & friend. You were a mighty, fighting Badger & I know you'll be just as great a Hoggie. Lots of luck to one who really deserves it. Stay sweet & be good.

Truly Steve, you deserve the best in life & I hope you become a great actor in Hollywood - don't forget me. O.K.  
You're a great Musketeer Leader, but don't get into too much trouble, especially since you're not 21 yet.

Steve,

Well, I guess you just

was. Steve you have one  
of the greatest personalities  
anyone could ever ask for.  
What ever you do Don't ever  
change it. It seem like  
every one who leaves Bishop  
High for college always changes.  
What ever you do Don't change.

Love Always,

Dear Steve -

As Mustang No. 1 you have become  
a legend in our time. Keep them  
going while No. 2 and I are at  
it. Don't let girls give you any  
HELL because sooner or later every-  
thing works out. With your great  
personality, friendliness, and ability  
to blend in with different kinds  
of people, you should become a  
great actor. Someday I'll let you  
drive my racing machine and you

Steve,

I never really got to know you until this summer and since then I've come to know you pretty well and to realize that other people have the same problems as me (Girls, etc.). You're a swell guy and always seem to cheer me when I'm sad. You've been a true friend to me and we've had some great times (Muskee's Parties, University of Texas, & A & I). Best of luck in Drama, for a guy with your talent and drive will surely achieve his life's goal. Someday you and I can exchange our secrets for getting girls and maybe together we can hook one. Since you've showed me your secret for weight (beer), if you're good, someday I'll line you up with one of my many girls (Ha!). I'm looking forward to more wild times and with you along one can expect the unexpected. Never forget your memories of BHS, good or bad, and always cherish them. Best of luck in ~~life~~ and may God bless you + keep you always.
